I. MANDATE OF THE FUND

1. In its resolution 46/122 of 17 December 1991, the General Assembly established the United Nations Voluntary Trust Fund on Contemporary Forms of Slavery, which receives voluntary contributions from Governments, non-governmental organizations (NGOs), other private and public entities and individuals. The purpose of the Fund is to provide financial assistance to representatives of NGOs from different regions that deal with issues related to contemporary forms of slavery so they may participate in the deliberations of the Working Group on Contemporary Forms of Slavery and to extend humanitarian, legal and financial aid, through established channels of assistance, to individuals whose human rights have been severely violated as a result of contemporary forms of slavery.

II. ADMINISTRATION AND BOARD OF TRUSTEES OF THE UNITED NATIONS VOLUNTARY TRUST FUND ON CONTEMPORARY FORMS OF SLAVERY

2. Pursuant to General Assembly resolution 46/122, the Fund is administered by the Secretary-General, through the Office of the United Nations High Commissioner for Human Rights (OHCHR), in accordance with the relevant financial regulations and rules of the United Nations on general trust funds for humanitarian assistance and with the advice of a Board of Trustees.

3. The Board of Trustees is composed of five experts with relevant experience in the field of human rights and, in particular, with issues of contemporary forms of slavery, serving in their personal capacities. The current members of the Board of Trustees, appointed by the Secretary-General for a three-year renewable term, in consultation with the Chairperson of the Sub-Commission on the Promotion and Protection of Human Rights, with due regard to equitable geographical distribution, are José de Souza Martins (Brazil), Prateep Unsongtham Hata (Thailand), Cheikh Saad-Bouh Kamara (Chairperson, Mauritania), Gulnara Shahinian (Armenia) and David Weissbrodt (United States of America).

III. BENEFICIARIES

4. In accordance with the selection criteria adopted by the General Assembly in its resolution 46/122, the beneficiaries of assistance from the Fund shall be: (a) representatives of NGOs dealing with issues of contemporary forms of slavery who would not, in the opinion of the Board of Trustees, be able to attend the session of the Working Group without the assistance provided by the Fund and who would be able to contribute to a deeper knowledge on the part of the Working Group of the problems relating to contemporary forms of slavery; and (b) individuals whose human rights have been severely violated as a result of contemporary forms of slavery (see annex I).

IV. GRANT CYCLE

5. Applications for travel or project grants for 2007 must be submitted by 15 September 2006 for analysis by the secretariat of the Fund and Board of Trustees. Admissible applications will be examined by the Board of Trustees at its next session, scheduled to be held from 12

to 16 February 2007. At that session, the Board of Trustees will adopt recommendations for grants, which will then be submitted for approval to the High Commissioner for Human Rights on behalf of the Secretary-General. The grants approved should be paid in February/March 2007. Beneficiaries of project grants will then have to provide satisfactory narrative and financial reports on the use of their grants before 1 November 2007. Until satisfactory reports on the use of previous grants are received, no new project grant can be paid.

6. Admissibility of new applications: during the period between the receipt of the application and the next session of the Board of Trustees, the secretariat of the Fund decides on the admissibility of applications on the basis of the mandate of the Fund.

7. Selection process: admissible application forms are verified as to their conformity with approved selection criteria and additional information is requested from the organization if necessary. Reference organizations and specialized networks are consulted as well if necessary. The complete application form is then summarized and analysed by the secretariat in accordance with the selection criteria, to facilitate the work of the Board of Trustees. At its annual session, the Board of Trustees reviews all applications declared admissible, including the original application form, the summary analysis prepared by the secretariat and any other relevant information. The Board of Trustees then makes recommendations to the Secretary-General in accordance with the guidelines of the Fund and Board. Following the session the secretariat reviews all the recommendations of the Board of Trustees for consistency with relevant United Nations administrative and financial rules and regulations. The High Commissioner for Human Rights approves, on behalf of the Secretary-General, the recommendations that are acceptable, along with any new best practices identified during the annual session.

8. Payment of grants: the beneficiary organizations are requested to accept all conditions attached to the grant, such as providing narrative and financial reports on the use of grants by a given deadline. Upon receipt of this confirmation, the secretariat of the Fund requests the financial services of the United Nations Office at Geneva to pay the project grant promptly. In the case of travel grants, the beneficiary receives an aeroplane ticket from his or her local travel agency and then a daily subsistence allowance (DSA) in the form of a cheque upon arrival at the session of the Working Group.

9. Monitoring: the secretariat reviews all narrative and financial reports received from beneficiary organizations on the use of project grants and asks for additional information if needed. OHCHR field presences and other United Nations field offices such as those of the United Nations Development Programme (UNDP) may be requested to provide to the secretariat of the Fund additional information on the organization or project. Travel grants are closely monitored before and during the session of the Working Group. Beneficiaries are requested to provide a copy of any statement they make during the session as part of their reporting obligation.

10. Evaluation by the Board of Trustees and secretariat: in performing their evaluation, the Board and the secretariat carry out the following activities:

(a) At its annual session the Board of Trustees reviews the situation of all travel and project grants allocated in previous years. When the Board is satisfied with the reporting by a

given organization, it recommends closing the file. If the report is not complete the Board makes a recommendation requesting specific additional information. No new grants will be allocated to that organization until the Board is satisfied with its report;

(b) Board members may visit projects financed by the Fund within their geographic region; the secretariat of the Fund may also visit projects;

(c) Board members, who are respected United Nations experts in the field of contemporary forms of slavery, may establish, if needed, direct contact with project leaders in the field, during sessions of the Board of Trustees, or at the sessions of the Working Group, the Commission on Human Rights and the Sub-Commission on the Promotion and Protection of Human Rights, in order to better evaluate the use of the grants. The secretariat also meets with project leaders;

(d) Reference organizations and specialized networks may be invited to the session of the Board of Trustees at which their applications are examined in order, inter alia, to provide additional information on specific organizations or projects, answer questions and explain their activities to the Board;

(e) Concerning travel grants, the Chairman, or another Board member if possible, attends the Working Group session in order to meet with all beneficiaries present and assess the impact of their participation on the deliberations of the Working Group.

V. PAYMENT OF CONTRIBUTIONS

11. In order to meet the requirements of the grant cycle and meet new requests for funding, new voluntary contributions should be paid to the Fund by the end of 2006 so that they can be duly recorded by the United Nations Treasurer well in advance of the next session of the Board of Trustees. Contributions that cannot be recorded before the next session of the Board will be considered at the following session.

VI. ELEVENTH SESSION OF THE BOARD OF TRUSTEES

12. During the 10 meetings of its eleventh session (30 January to 3 February 2006), the Board of Trustees examined information prepared by its secretariat concerning previous grants paid from 2001 to 2005, applications for new travel and project grants, the financial situation of the Fund, including new contributions and pledges (see annex II, sections A and B), and the implementation of the recommendations approved in 2005. The Board met with representatives of donor and other interested Governments, staff members of OHCHR working on other activities relevant to the mandate of the Fund, and representatives of other United Nations agencies. Detailed information can be found in the report of the eleventh session of the Board of Trustees to the sixty-second session of the Commission on Human Rights (see E/CN.4/2006/76).

VII. APPROVAL AND IMPLEMENTATION OF RECOMMENDATIONS

13. All of the recommendations made by the Board of Trustees at its eleventh session were approved on 13 February 2006 by the High Commissioner for Human Rights on behalf of the

Secretary-General. Seven of the 12 beneficiaries approved attended the thirty-first session of the Working Group (8-11 August 2006). Forty-six of the 47 project grants were paid either the full amount of the grant, or the first instalment of the grant, by 1 June 2006.[1]

14. In light of the selection criteria, the Board of Trustees recommended 47 project grants for a total amount of US$ 590,300, which will assist NGOs in 22 countries in Africa, the Americas, Asia and Europe, a significant increase over past years. The relevant statistics since the Board started allocating grants in 1997, including the number of travel and project applications received and the amount of money requested, as well as the number of grants received and the amount of money allocated by the Fund, are shown in the following table.

[a] Every year about 50 applications are received that are not admissible, as they do not fall within the mandate of the Fund, arrive after the established deadline or are incomplete.

[b] The total amount available for grants was paid in 1997 (US$ 23,850), and no new contributions were paid.

[1] One grant is being held pending the receipt of satisfactory narrative and financial reports on a previous grant.

15. The Board additionally recommended that a global review of the work of the Fund be undertaken. The results of the review will be included in the report of the Fund to the General Assembly at its sixty-second session.

VIII. THIRTY-FIRST SESSION OF THE WORKING GROUP ON CONTEMPORARY FORMS OF SLAVERY[2]

16. At its thirty-first session, the Working Group on Contemporary Forms of Slavery had before it the reports of the Secretary-General to the Commission on Human Rights on the status of the United Nations Voluntary Trust Fund on Contemporary Forms of Slavery (E/CN.4/2006/75) and (E/CN.4/2006/76).

17. A member of the Board of Trustees, José de Souza Martins, attended the session, presented the documentation available and introduced the beneficiaries of travel grants attending the session. He also reviewed the financial situation of the Fund.

18. The Working Group expressed its appreciation for the participation at its thirty-first session of seven representatives of NGOs working in various countries in Africa, the Americas and Asia, including a victim of contemporary forms of slavery, whose expenses were financed by the Fund upon the recommendation of its Board of Trustees, and for their valuable contribution to its work. It also invited the Board of Trustees to continue to promote the participation at the annual sessions of the Working Group, or the future expert advice mechanism, of individuals and organizations from as large a number of countries as possible and to contribute to projects implemented at the grass-roots level that directly assist victims of contemporary forms of slavery.

19. The Working Group expressed its gratitude to Governments, NGOs and individuals who had contributed to the Fund. In this respect, the Working Group also recalled the appeal made by the General Assembly in its resolution 46/122 to all Governments to respond favourably to requests for contributions to the Fund, urged them and NGOs, other private or public entities and individuals to contribute to the Fund, and encouraged them to do so in order to enable the Fund to fulfil its mandate effectively in the year 2007.

20. In addition, the Working Group recommended that one of its members be designated and invited by the Board of Trustees to participate in the Board's annual meeting, in order to increase the synergy between the two bodies.

[2] The report of the Working Group on Contemporary Forms of Slavery on its thirty-first session is contained in document A/HRC/Sub.1/58/25.

IX. NEEDS ASSESSMENT

21. Applications for grants amounting to approximately US$ 1,072,750 were received in 2006. The Board of Trustees was able to recommend some US$ 610,896. In the view of the Board, in order to be able to fulfil its mandate and to satisfy the new applications envisaged for 2007, the Fund would need new contributions amounting to at least US$ 1,239,000 prior to the twelfth session of the Board of Trustees,[3] to be held from 12 to 16 February 2007.

22. Some new contributions and pledges have been made for the twelfth session of the Board of Trustees (see annex II, sections B and C).

X. FUND-RAISING FOR THE TWELFTH SESSION OF THE BOARD OF TRUSTEES

23. The Board of Trustees adopted its revised cost plan for 2007 on the basis of the increase in new applications for grants and the increase in new contributions received in 2005 and 2006.

24. During its eleventh session, the Board of Trustees held its annual meeting with regular and new donor Governments and other interested Governments (see E/CN.4/2006/76, paragraphs 30-32).

XII. RECOMMENDATIONS

27. **In the view of the Board of Trustees of the United Nations Voluntary Trust Fund on Contemporary Forms of Slavery, in order to be able to satisfy a sufficient number of the new applications envisaged for 2007 and to fulfil its mandate satisfactorily, the Fund would need at least an additional US$ 1,239,000 prior to the start of the twelfth session of the Board, scheduled to be held from 12 to 16 February 2007. As recommended by the Board of Trustees at its eleventh session and approved by the United Nations High Commissioner for Human Rights on behalf of the Secretary-General, donors are invited to contribute to the Fund by the end of the year in order that the contributions may be duly recorded by the United Nations Treasurer in advance of the annual session of the Board. Contributions that cannot be recorded before the session of the Board will be considered at its next annual session.**
